

MDP RETIRED OFFICERS ASSOCIATION

IMPORTANT: You could be owed a tax refund

If you pay tax, there's a fairly high chance you've paid too much!

Over 1 in 3 taxpayers have paid more tax than they needed to after being given the wrong tax code by HMRC.

If you know what to look for you might be able to spot where HMRC has sent you or your employer the wrong codes in the last 4 years and then sort the problem yourself. If not, MDPROA are working in conjunction with The Tax Refund Company and are pleased to offer you the opportunity to receive a professional tax code review, by their leading tax code experts. They will check the tax you've paid in the last 4 years and get your money back from HMRC if you've paid too much.

Checking you've been given the right tax code is even more important now, as there are new tax allowances that if you're entitled to use them, could see you losing over £662 this year alone if you miss out.

If you wish to use the service, the main facts you need to know are:

- **Your review is FREE if you do not get a tax refund**
- **For every £1 you get back off HMRC, you keep 62p (minimum fee £38*)**
- **You also keep ALL the money you save where you get a new tax code**

This is your hard earned money. Why let The Revenue keep it?

* If your refund is under £38, the minimum fee will be reduced to the same value as your refund so you have nothing more to pay.
