LATER LIFE AMBITIONS - GENERAL ELECTION 2015

'LATER LIFE AMBITIONS' - GENERAL ELECTION 2015

The Alliance in conjunction with the National Association of Retired Police Officers (NARPO) and the National Federation of Occupational Pensioners (NFOP which represents British Telecom and Royal Mail Pensioners) is launching the 'Later Life Ambitions' campaign. This forms the basis of our campaigning activities in the lead up to the 2015 General Election.

As part of our campaigning efforts and activities this time we are looking to involve CSPA members as much as in the campaigning activities and also to participate in surveys which will aid us in gathering evidence to support our campaigning objectives and to also deal with the press and media.

The first of these surveys is dealing with care for older people and can be accessed by clicking on the link shown below. We hope that you will be prepared to participate in this survey. The survey is very short and should not take more than a minute of your time to complete:
